RE: **New Carpeting / Tile**

New hallway carpeting is scheduled to be installed during the next several weeks on the bottom two floors. Tile will be installed in the vestibule at the exit door.

The start date is slated for Thursday September 30, 2010.

Plan accordingly any large item moving as it may be difficult to move around the work area.

Please be careful walking in hallways and stairwell landings during the removal of the old carpet and installation of the new carpet as well as the tile installation in the rear exit door way.

Thank you.
