

Notice to all Residents

**Hurricane/Tropical Storm Sandy
High Wind Gusts/Heavy Rain Possible
Monday and Tuesday, October 29-30, 2012**

Being physically located in a high wind zone area please read the following:

- Immediately secure **all** personal items on your balcony and/or patio (hanging plants, chairs, tables, flower boxes, etc.) so they do not become air-borne and damage vehicles, etc.
- Make sure that your balcony or patio doors and windows are closed tight and locked to prevent water penetration.
- The emergency lights in the building hallways operate on batteries in the event of a power outage. It will only last about an hour for evacuation purposes. Please have flashlights and batteries ready. For safety sake, do NOT use candles.
- Any emergency situations should be called into **911** immediately
- Any non-threatening maintenance issues should be called into G&G Management at 781-455-6565 and the automated prompt should be followed in order to be connected with our on-call staff.
- Please be patient with requests to G&G as our response time may be delayed due to the high volume of requests. Please try to wait until the storm is over for any non-urgent issues if possible and call G&G to be connected with your property manager at that time.
