

PARKING LOT SWEEPING
& SPRING CLEAN UP

MONDAY, APRIL 14th
8AM-5PM

Date: April 8, 2014
To: All Residents of The Hill at Furnace Brook
From: Board of Trustees and G&G Management
Re: Parking lot sweeping and Spring clean up

Please be advised that on Monday, April 14th, 2014, between the hours of 8:00 AM and 5:00 PM, Absolute Landscaping will be sweeping the parking lot, trimming trees, and removing the sand and debris from this winter.

Please try your best to have your vehicles moved during this time frame so that they can do a thorough cleaning, and avoid getting any sand and dirt on your vehicle. All parallel spaces along the fence on the exit side of the building should be left completely vacant during this time period so the landscapers have access to the trees. This includes each space from the side door to the street and the first 3 spaces at the entrance and exit.

Thank you in advance for your cooperation, and please contact Liz Atkins at G&G Management with any questions at 781-455-6565 ext 202.
