RE: Parking lot work update (11/12-11/14) & Water Shut off (11/17/14)

Dear Residents,

There is an update on the parking lot work that was scheduled for Wednesday, November 12th and Thursday, November 13th. The paving work is delayed to **Friday, November 14th from 7:00am- 6:00pm**. Unfortunately, the asphalt company was unable to come to the property because of an emergency job. They will be doing the paving and line striping on Friday, November 14th. You are able to park on the lot on Wednesday and Thursday, but will need to move your car again for the Friday morning (7:00am) work which will include the paving and line striping. After the work is complete and dry, you will be able to park on that surface overnight on Friday.

We apologize for the inconvenience and the change in dates and times.

Also, on Monday, November 17th from 10:00 AM through 1:00 PM, the water to the building will be shut off due to repairs in a unit. Please plan accordingly.

Thank you in advance for your cooperation, and please contact Kelly Barba at G&G Management with any questions at 781-455-6565 x 222 or Kbarba@gandgrealty.com.

Thank you,
