Re: State Elevator Inspection-10/16/2015

---

On Friday, October 16th, the elevator is scheduled to be inspected by the State Elevator Inspectional Services. This is a state inspection. The elevator may be out of service for approximately 2-3 hours during this inspection. Due to the unpredictability of the State tests and schedules, the test may occur at any time during the day between the hours of 9am-5pm. They are anticipating arriving prior to 1pm, but this may change.
